## Frequently Asked Questions

**Q. What is the maximum number of people you can seat in the private dining room?**

*We require 20 people minimum for a private dining room booking up to the maximum of 35 people. Should a special room setup be required, the maximum capacity may be less.*

**Q. When is the private dining room available and is there a rental fee?**

*Because our private dining room is used for overflow seating during busy times, we require a buyout of the private dining room to reserve that space exclusively. While there is not a rental fee, we do require a food and beverage minimum based on the day and time of your reservation. Additionally, we will charge a \$500 deposit on the credit card you provide for the booking fourteen (14) days prior to the event OR at the time of booking if the event is less than fourteen (14) days away.*

*The food and beverage minimum represents the minimum dollars that must be spent to secure our private dining room. Deposits will be deducted from the final bill. *Reservations are available in blocks of 2.5 hours.**

We can accommodate a regular reservation for a party up to 20 people in our regular dining room with no F&B minimum. If the private dining room is not in use when you arrive for your group reservation, we may be able to seat your group in the private dining room and waive the F&B minimum.

**Q. Can you accommodate special dietary requirements?**

If you or any of your guests have an allergy or dietary restriction, please inform the manager prior to your event so our service staff and chef will be aware and can offer different menu options.

**Q. What is your cancellation policy?**

Private dining events may be cancelled up until fourteen (14) days prior to the event with no penalty. If the event is canceled less than fourteen (14) days prior to the date of the event, the guest will be charged fifty (50%) of the estimated revenue of the event.
